Neither EPA or TCEQ attended the meeting. Heard on news up to 200 attended. News clips I saw had the Mayor speaking regarding length of time before rebuilding could begin.

Checked in with OSCs and Kelly Cook-TCEQ, neither have heard anything. Susan

FYI - We have been told there may be a Town Hall (TH) Meeting tomorrow at 4 pm hosted by the City of West. This will be the 3rd TH meeting in West to our knowledge. TCEQ does not plan to attend. TCEQ and EPA have not attended the previous TH meetings.
